

# **Tariff Stop Press Notice 37/09**

## **Information for the Authorised Economic Operator (AEO)**

Please note the additional information for businesses who wish to use the following document codes:

Y022, Y023, Y024, Y025, Y026, Y027, Y028 and Y029

There is a new, mandatory requirement which will request you to enter the status code JP (as per Annex C10 of the Tariff) and the appropriate AEO authorisation number.

This change will be effective from 24 August 2009.
